SYRAH

Santa Barbara County

TASTING NOTES:

This wine is rich and deeply colored. It offers dark plum, blackberry, chocolate, and subtly smoky scents on the nose, with leather, herbs, and a touch of smoky BBQ on the palate. Light and graceful in the mouth, there's a lingering sweet fruity note on the medium-length finish.

THE
SANGER
FAMILY of WINES

Consilience wines are designed to capture the essence of California's Central Coast. A part of The Sanger Family of Wines portfolio, Consilience wines are produced from Old World varietals traditionally grown in the Rhône Valley, Burgundy, and Bordeaux regions. Our fruit is sourced from some of the best and most exciting vineyards throughout Santa Barbara County, producing wines that are the ideal accompaniment to our fresh local cuisine. Consilience Wines can be found in select retailers and restaurants across the country, in our Los Olivos, California tasting room or online at www.consiliencewines.com.
